Homework Enrichment

Dear parents: In writing we are continuing to work on writing Opinion Paragraphs. To help your kids improve their writing you can ask them to write one opinion paragraph a built on (revise their work) one day they can add nouns to their reasons and another day add adjectives to describe their nouns. Then edit and publish their writing.

The students can write an opinion on the best place or season etc.
We are still working on using a linking word such as "because" to connect your reasons with your details.
We are also working on identifying adjectives to make our writing richer.

Steps:

1. Think about a topic, and the reasons why. **(O is for opinion)**
2. Sketch a reason or detail that helps explain your opinion. Remember to add labels in your sketch.
3. Add a reason of why it is your favorite**. (R is for reason) Use a linking word such as "because" to connect your reason with your detail.**
4. Add a detail about your reason, make your writing stronger adding juicy details. **(D is for detail)**
5. **If you want to challenge your child, he or she can write his/her paragraph using different sentence starters and write three reasons of why he/she chose that as the best.**
6. Add a closing sentence to explain your opinion about your favorite "your topic**.** **(CS is for closing sentence).**
7. Check to see if your paragraph contains an opinion, a reason, a detail, and closing sentence.

Remind your child to:

- write neatly.
- Write complete sentences.
- Use uppercase at the beginning of their sentence.
- Use punctuation at the end (. ? !)
- Leave finger spaces between words.
- check your writing (correct spelling of words)

Tarea de Enriquecimiento

Estimados padres: En la clase de escritura seguimos trabajando en la redacción de párrafos dando una opinión. Para ayudar a sus hijos a escribir mejor pídanles que trabajen en un párrafo de opinión mejorándolo los días siguientes agregándoles un día sustantivos a rus razones y detalles y otro día adjetivos que describan los sustantivos.

Los alumnos pueden escribir una opinión sobre cual es en su opinión el mejor lugar o la mejor estación del año etc.

Esta semana continuamos usando palabras para unir la razón para justificar nuestra opinión con un detalle ampliando la razón uniendo ambas oraciones con la palabra "porque".

Además, estamos trabajando en identificar los adjetivos y como son usados para describir a los sustantivos y hacer la oraciones más interesantes.

Pasos a seguir:

1. Piensa en un tema y las razones. **(O es por Opinión).**
2. Dibuja una razón o detalle que te ayude a explicar tu opinión. Recuerda agregar etiquetas a tu boceto.
3. Agrega una razón de por qué es tu favorito**. (R es por Razón). Utilice una palabra de enlace como "porque" para conectar tu razón con el detalle.**
4. Agrega un detalle, haz tu oración mas interesante agregándole detalles jugosos (descripciones, adjetivos etc.).
5. Si quiere desafiar a su hijo que escriba por lo menos tres razones por lo que eligió ese tema **(D es por Detalle).**
6. Añade una oración final para cerrar tu párrafo**. (CS es por cierre).**
7. Confirme que su párrafo tiene una opinión, una razón con detalle y una oración de cierre.

Recuerde que su hijo tiene:

- Que escribir claramente.
- Escribir oraciones completas.
- Usar mayúsculas al comienzo de cada oración.
- Utilice puntuación al final de cada oración (.?!)
- Deje espacio del ancho del dedo entre cada palabra.
- Revisar su párrafo que tenga la ortografía correcta y sus letras estén escritas de manera correcta.
